

The WOMAN WHO CHANGED MY DESTINY COMPLETELY

Inspired and Supported me to Attend University

I was born into a poor Chinese peasant family. Ms. Liu gave me financial and spiritual support when I was in High School, which changed my destiny.

Inspired and Supported me to Study in the UK

Ms. Liu paid the fees for my IELTS test, UK Visa and even the airplane ticket to Queen's University, which made my dream of studying abroad come true.

YAJUAN LIU

An ordinary High School English
teacher, in China

Over the past 21 years, she has helped
more than **2000** Chinese students
from **poor families** realize their dream
of attending University.
