## **Actress - Educator - Activist**

**Abigail Thorn is a professional actress and youtuber, based in London. She started her channel, "Philosophy Tube" in response to the coalition government increasing tuition fees to a max of £9000 "because I wanted to give away my philosophy degree for free"**

**Thorn's videos breach academic philosophy in an approachable manner. By covering topics as diverse as Marx, Trauma, Sex Work, Capital Punishment, and Confucius, she has amassed 900,000 youtube subscribers and educated millions**

**Thorn came out as a Trans Woman in January 2021 and has become a prominent trans activist, seeking to "add [her] voice to the many demanding new legislation for Trans equal rights".**

**She is currently producing a play about trans identity and national decline, making more videos, and speaking out on Twitter and in media interviews (including recently with Owen Jones)**
